Our city: Geelong

A fast growing region

The Western Growth Corridor between our state capital Melbourne and Geelong will see an increase in population from **4.5 million to 5 million**.

This will include an expanded industrial and logistics center focused around the Geelong Avalon Airport that will expand to include **new international and air freight terminals**.

Our city: Geelong

Emerging industries

The changing economy has seen the development of **four major hospitals**, the relocation of many government service providers to the city, and a shift from manufacturing to

- education and training,
- healthcare,
- professional, scientific and technical services.
- Construction and design
